Lulu holiday savings until December 14th.

Right now you can save 25% off any book at LULU.com to a maximum of $50. Simply add the coupon code **BUYMYBOOK305** when you checkout. This offer expires December 14, 2011. Some of these books are downloadable as PDFs.
For those who like the smell of paper in the morning, our recent *Treatises on Warfare* contains a collection of documents from various eras of warfare. *Concerning the Militia* is still available and contains a wealth of information on the Second Amendment to the Constitution of the United States.

We have recently added *Essays on the Constitution of the United States* by Paul Leicester Ford with additional material and editing by Glen C. Davis. The "government approved" Federalist Papers were not the final word on the subject. See what some of the other Federalists and Anti-Federalists had to say about this document and the Bill of Rights. This book comes in regular print and a large print edition.

The fictional suspense novel *A Shroud of Evidence* is also still available. It is now available at the iBookstore for your electronic device.

So take your pick and save up to $50 until December 14th.
