The Mess That Created Obama

I am prevelant on Facebook, which proves I really have no life. Actually I am very active in other things. One of those things is studying the Constitution of the United States, Bill of Rights and the true history of the United States. I mention this only because these two things have recently connected.

While purusing Facebook, I cam across this graphic.

The real job before us is not cleaning up the mess Obama created. The real one is cleaning the mess that created Obama.

Truer words were never spoken and, quite frankly, I can say the same about Trump. Only time will tell about the Trump legacy, but he would not have been my first choice. He was the only choice of the choices given, however. Yes, I voted for him and would do the same under similar circumstances.

The mess that created Obama is voter fraud. The fraud was prevelant, clearly evidenced and in your face. That is because the Republicans got into a court battle and promised not to say anything about voter fraud because they were being meanies. So I shall pinpoint the problems that caused this "mess." In this article I will cover political labels that may

hurt your feelings.

The main problem is that almost everyone allows others to think for them. They do not catch on when even Fox news is laughing in their face.

LABELS

When the term “Deplorables” was recently used against Trump supporters, they responded in an amazingly quick and devious manner. They took on the new name with pride and waved it like a flag. Even to the point of attempting to get a new U.S. Navy ship named “The Deplorables.” Unlike the progressives when called snowflakes.

I thought it interesting because the “liberals,” as you call them, are not liberal at all. They have stuck it to you with that label since the 1960s. The left-wing Wikipedia actually makes a distinction between the so-called liberalism of today with what they call “Classic liberalism.” The difference?

Classic liberals are those who believe in freedom. The free market economy. Natural rights. The left-wing Wikipedia uses the term “civil rights” instead of natural rights. They do not even want you to have that term in your lexicon because natural rights are those that the God of the Holy Bible gave you. What you might call instinct. For example you know you have the right to kill someone who is trying to kill you. In fact the “classic liberal” John Locke calls this war. War is just not for the elites to play. John Locke goes so far as to say that if a person comes on your property with the intent to do you harm, he has committed an act of war. An act of war which you may prosecute to its logical conclusion; whether that be a peace treaty or the elimination of your enemy. The point being that you have the natural right to choose your own destiny.

The caveat, of course, is that you cannot interfere with the rights of another in their pursuits, so long as those pursuits

are legal. You can build a three-story house even if that house blocks your neighbors view of Mount Shasta. You CANNOT, however, dump toxic chemicals and waste in a waterway which runs through the property of others who might use that water, nor can you dam it up to prevent the flow.

The so-called “liberals” of today are properly called “progressives.” That is the term which Theodore Roosevelt, Woodrow Wilson and Franklin Delano Roosevelt used to describe their methods of circumventing the Constitution of the United States of America.

ARE YOU WAVING THE RED FLAG?

The same system of labels applies during every election. The Republicans eagerly await the posting of red colored States across the map without even realizing what they are doing. They wave red flags and post on sites called “Redstate” and wear red shirts when they should ONLY wear a red shirt on Friday for Remember Everyone Deployed (RED) Friday.

Does anyone remember what a red flag represents? There are two States in the world with red flags. Communist Russia and Communist China. Even the word Communist is incorrect for these States because they do not practice Communism as outlined by Friedrich Engels. You might not know that name, but he did most of the work accredited to Karl Marx. That’s okay though. Engels was a good communist and let Marx take the credit. What current communist governments should be called are tyrannical. That is the term used by the so-called founding fathers.

What the left-wing media has done is to get well-meaning Republicans to cheer the spread of Communism across the United States. And to cheer their own demise. Remember the old phrase, “Better dead than red?”

If we were to actually have a truth in labeling law, why would the red States not represent the Democrats since they

represent tyranny? Why are they given the color of the “true blue” American? And if FOX news is the “conservative” alternative, why are they doing the exact same thing?
