Disclaimer: Use coupon code AUGUST305 at checkout and receive 15% off Essays on the Constitution of the United States. Maximum savings with this promotion is $100. You can only use the code once per account, and you can't use this coupon in combination with other coupon codes. This great offer ends on September 15, 2011 at 11:59 PM so try not to procrastinate! While very unlikely we do reserve the right to change or revoke this offer at anytime, and of course we cannot offer this coupon where it is against the law to do so. Finally, Lulu incurs the cost of this discount, so it does not impact the Author's proceeds of the book.

January sales contest on LULU.com

The January sales contest is on at LULU.com. You can enter READ2011 at checkout to receive 10%* off of your order and help me win a contest.

One of my recommendations is the fictional thriller A Shroud of Evidence. One review states, “This book is intense. So like what it may be like someday. It has a lot of action, suspense and even love. A good read. I recommend it highly. My compliments to the author.” If you have an Amazon, Barnes and Nobles or other online book store account, you can purchase through those sites, but you cannot use the coupon code. 6×9 paperback.

Another pick is Concerning the Militia. This book started out as a research project during the Clinton administration and grew into a reference book. I would guess much of it you already knew or may have seen. Can be purchased in hardcover or paperback through LULU.com only.

The Patriotic Observances Handbook is a guide to the latest patriotic observances and legal Federal Holidays plus a perpetual calendar. This one came about as I searched for information on the LEGAL HOLIDAY National Prayer Day.

2011 Patriot Journal contains some of the information from the Patriotic Observance Handbook. Contains spaces for monthly appointments and journal pages.

My latest work, A Clause for Concern is an examination of the Interstate Commerce Clause of the Constitution by a non-lawyer. Just how far does this Constitutional Power of

Congress extend? What of other Constitutional authorities that the Congress has delegated or ignored? I must admit that this one may contain some mistakes, but I reference source material for you to look up.

I also have some reprints of older books such as A View of the Constitution of the United States of America. American Documents Volume II contain the Federalist Papers and American Documents Volume III contain some of the Anti-Federalist Papers. You can see all of the books I have available at my online store.

Please remember, a portion of the proceeds from the sale of these books goes toward buying houses, cars, food, etc.
