Veterans *Run for the Wall*

What it's all about

WILLIAMS–(May 20) Vietnam, and other veterans, left Williams this morning on their ten-day journey in remembrance of the veterans whose names appear on the Vietnam Memorial wall in Washington D.C. Their motto, “We ride for those who cannot.” Their first stop every year is the northern Arizona City of Williams.

The Run for the Wall event occurs every year about this time and their first stop is in Williams. The riders came into Williams last night and were treated to a meal at the Cordova Post #14 American Legion hall.
